

Ayshan Maredia

1720 Eglinton Avenue East, Toronto, ON M4A 2X8 • 519-778-7866 • ayshan.maredia@gmail.com

Career Objectives:

I am passionate to work as front-end developer and pursue a job which would give me an opportunity to use my knowledge skills and willing to desire to develop skills by learning new technologies; I would like to see my growth along with the growth of the organization with dedicated hard work.

Education:

Graduate Certificate: Web Design and Development
Conestoga College – Kitchener, ON

Sep 2019 - Dec 2020

Projects and skills developed

- Made a Responsive Website Design Using HTML, CSS and Bootstrap.
- Made a small weather web app using Open Weather API using JavaScript/jQuery.
- Developed Skills in Photoshop such as creating wireframes for the website.
- Made keeper list using React.js, React hooks and MongoDB to save all the data entered by the user. User can add their own list and can remove the items from the list whenever needed.
- Studied Web Analyzing traffic where I learned about google analytics, google tag manager and best SEO performance.
